RE: League Sponsorship Opportunity

To whom it may concern,

The Serenity Softball League was founded in 2024 by a group of individuals that saw a need in our community – providing individuals and allies to recovery a safe environment to play a recreational sport that aligns with the principles of recovery. Rooted in values like unity, community, love and healthy living, the Serenity Softball League has welcomed members from across Windsor-Essex, who identify as someone in recovery or an ally to recovery. Since 2024, the league has grown in ways that has exceeded our expectations. With that said, our expenses have since increased. The Serenity Softball League is turning to the community for support.

We are humbly requesting a donation to become a Serenity Softball League sponsor. The proceeds will directly benefit operations, equipment, registration fees and annual tournaments. Your contribution will help provide members in recovery or allies with the chance to engage with their community, build lasting relationships and improve their overall well-being.

If you are interested in sponsoring this league, please review the sponsorship packages attached to this letter. We would appreciate any contribution that best fits your means. A receipt will be provided upon acceptance of your donations. If you have any questions, please contact the league's committee at info@serenitysoftball.ca

If you are interested in learning more about the league, please visit: www.serenitysoftball.ca

Looking forward to your response!

Sincerely,

The Serenity Softball League Committee
